1 Eleven Madison Park

DESCRIPTION: Incredibly tall windows look out over Madison Square Park in this Danny Meyer-owned restaurant. The successful owner of Union Square Cafe and Gramercy Tavern fame has employed the culinary genius of chef Kerry Heffernan and an outstanding wait staff, and has put together a marvelous wine cellar for the perfect patron satisfaction. While the food is generally American, the elegant style of preparations and presentations of traditional French cuisine influence it. Eleven Madison Park also hosts private events in its premises. Call for details. © wcities.com

2 Aquavit

DESCRIPTION: With respect to tradition, a penchant for excellence and the conviction to try new techniques and ingredients, Aquavit transforms Nordic cuisine with extraordinary care. For lunch, an a la carte menu of Scandinavian classics such as Swedish Meatballs, Gravlax and Toast Skagen. For dinner, try the a four-course prix fixe or seven-course tasting menu of modern Nordic selections. The dining room has just been redesigned with modern and rustic elements that complement and complete the Nordic dining experience. In the Bar and Lounge you can savor craft cocktails and a variety of Nordic tastes tailored to your selections ideal for a date, casual meeting or an after-work gathering. The Linné salon and Nobel Room accommodate Private Dining functions for meetings, social gatherings and elegant entertaining for up to 100 guests. © NileGuide

Monday - Saturday

3 Cookshop

DESCRIPTION: On far west Tenth Avenue, Cookshop is brawny and boisterous with food to match. Seating can be tight, and you would hear your neighbor's conversation if it the whole place weren't so loud. But never mind: Enjoy the chef's creations. A pizza with shaved king oyster mushrooms and stracchino cheese or the grilled Montauk squid in a salsa verde make good starters to complement the restaurant's innovative cocktails. Or combine a few snacks like the fried spiced hominy or the smoked pork tacos as starters for the table. Cookshop offers entree options in four categories: sauté, grill, wood oven, and rotisserie. The whole roasted porgy, head and all, cooked in the wood oven, is moist and full of flavor, while the chili-braised beef short ribs, served over cheddar grits, from

4 Public

DESCRIPTION: Pretty lights suspended from the ceiling, wooden furnishings, and a cozy bar define this restaurant's interiors. It has some highly unusual fare on its menu, which is why it is quite popular - for the more adventurous at heart, there are such dishes as Confit Rabbit, Snail & Oxtail Ravioli, and even Grilled Kangaroo! If you don't feel up to such items, there are dishes like Roast New Zealand Snapper, and Goan Vegetable Curry with Steamed Rice. There are a few wines to round off any meal, and the staff is highly obliging too. © wcities.com

5 Little Owl (The)

DESCRIPTION: A tin and gold painted ceiling and a full view of the open kitchen is what greets you at The Little Owl. The cuisine is a mix of classical American and Mediterranean. The contemporary menu comprises of dishes made by seasonal ingredients of the freshest quality, which is always a good sign. Saying that The Little Owl pays attention to detail is an understatement. First timers and regulars will agree, the restaurant goes to lengths to accommodate its patrons, whether it means customizing a dish which is not on the menu, remembering someone's favorite dish or even getting a particular bottle of wine from elsewhere. The Pork Chop is a special favorite at The Little Owl, so maybe the crispy soft-shell crab and the duck confit will have to await future visits. © wcities.com

6 Prune

OUR LOCAL EXPERT SAYS:

Try a boozy brunch at Prune--the menu features 10 different variations on the Bloody Mary--but come early, as the restaurant doesn't take reservations for brunch.

DESCRIPTION: A light and airy dining room overlooks an open kitchen here, where good American food is served in a charming ambience. Oysters, Gravlax, and Deviled Eggs are good starters. Popular entrees include Braised Rabbit Legs with

Carrots and Fennel, Braised Beef Short Ribs with Yorkshire Pudding and Grilled Rib Eye Steak with Parsley-Shallot Butter. For dessert, the Warm Chocolate Cake is delicious; try the Oranges with Vanilla Beans, and the unexpected and fantastic Butter and Sugar Sandwiches. A prix fixe menu is available on Sunday evenings. © wcities.com

New York City Snapshot

Local Info

New York, New York: There's truly no other city in the world like it. The city reaches far and wide with neighborhoods and people changing at every block you cross. Don't let the Big Apple intimidate you though, it's got a little bit of everything for travelers of all kinds to enjoy. Shopaholics and fashionistas roam the pricey boutiques of Soho while downtown locals flock to the street food of Chinatown. View stately museums of the Upper East Side or challenge your knowledge of art browsing Chelsea, this sprawling metropolis offers the best of all worlds...and that's just the big city of Manhattan. Here's an overview of some of that island's noteworthy neighborhoods, as well as the basics on the outer boroughs, too—Brooklyn, the Bronx, Queens and Staten Island. To dig deeper on any of these destinations, check out the relevant Neighborhood Information section.

Midtown

This is the beating heart of the Big Apple, complete with towering skyscrapers, packed streets, and many of the city's top destinations for sightseeing, shopping, and entertainment, including Times Square, the United Nations, the Empire State Building and Rockefeller Center. This is must-see New York, but make sure to spend some time outside this neighborhood if you want to breathe a bit more freely.

Central Park

Nestled between the Upper West and Upper East Sides, this 843-acre oasis is the most visited urban park in the country. Among its many charms are miles of winding pathways, several lakes and ponds, two skating rinks, a zoo, and a conservatory. Visit in the summer if you can, when the park hosts free concerts and plays.

Times Square/Theater District/Hell's Kitchen

The once seedy Times Square zone is all cleaned up and packed full of chain restaurants and other tourist-friendly attractions. Catch a Broadway show in the Theater District, or head west to Hell's Kitchen, also cleaned up from its seedier days and full of dining and nightlife options.

Chelsea

Chelsea has been the center of the city's art scene since the mid-1990s, with more than 200 galleries centered mostly in its western reaches (near 10th and 11th Avenues). In addition to the High Line, a newly opened public space along an old elevated railway, it also boasts some of the city's hottest nightclubs, is chock-full of busy restaurants and bars, and has long been seen as the heart of gay-friendly New York. □

Gramercy/Flatiron/Union Square

This central neighborhood has a little of everything, from pedigreed Gramercy Park to bustling Union Square (site of the city's largest greenmarket). It's also home to a number of the city's most popular restaurants, and the dining options abound on Park Avenue South and the area around Madison Square Park, near the iconic Flatiron Building.

Greenwich Village/West Village

With its labyrinthine (compared to the Midtown grid) streets and historic townhouses, the Village is classic New York. Its eastern region contains Washington Square Park and New York University, while the charming, formerly bohemian West Village is home to increasingly upscale shopping and restaurants. Head further west to the Meatpacking District, now a mecca of expensive dining/nightlife options.

East Village □

The East Village stands out for its young, arty, funky (though nowhere near as edgy as in years past) vibe, on display in its many shopping, dining and nightlife options. History buffs will appreciate landmarks like St. Mark's-in-the-Bowery Church, while a cleaned-up Tompkins Square Park offers great people-watching.

Lower East Side

□ Go below Houston Street on the east side and you'll find even more restaurants, boutiques and bars lining the streets of the ever-more-upscale Lower East Side. Though this area was once home to some of the city's worst slums, its gritty past has made way for a vibrant shopping, dining and nightlife scene. Learn about the neighborhood's past at the Lower East Side Tenement Museum (it's free!) or check out the historic Orchard Street Shopping District.

Soho

Though many galleries have moved to Chelsea, Soho still boasts its own art scene. Shopping is the real draw in this neighborhood, however, from high-fashion boutiques to the chain stores that line Broadway. At the eastern end of Soho, Nolita is perfect for shoppers who favor smaller, more unique stores. A plethora of kitschy Italian restaurants still draw tourists to the lively neighborhood of Little Italy, around Mulberry Street, including the throngs attracted by the annual San Gennaro Festival.

Lower Manhattan

This diverse zone encompasses Chinatown (with its designer knock-offs and dim sum), swanky Tribeca, family-friendly Battery Park City, and the bustling (at least during the week) Financial District. Must-see spots include South Street Seaport, Wall Street and the New York Stock Exchange, and the World Trade Center site.

Upper East Side □

The Metropolitan, the Whitney, and the Guggenheim are only the biggest players in this stately, museum-filled neighborhood, which also boasts some of the city's best high-end shopping (Madison Avenue) and some of its highest-priced real estate (Fifth Avenue along Central Park, Park Avenue).

Upper West Side

The beautiful Upper West Side, historically a mecca for New York City artists, writers and intellectuals, is also one of the city's most family-friendly neighborhoods, with brownstone-lined streets, brunch spots, shops galore, and easy access to Central Park. It's also home to Lincoln Center, the Museum of Natural History, architectural gems like the Ansonia and the Dakota, and (a bit further north) Columbia University.

Harlem

Long a vibrant center of African-American history, music and culture, Harlem has changed a lot in recent years, as a diverse new crowd of residents have started calling its stately old brownstones home. It's still a great destination for soul food (try stalwarts like Sylvia's) as well as live jazz and nightlife at historic spots like the Cotton Club or the Lenox Lounge.

New York City Snapshot continued

Brooklyn

From the galleries of Williamsburg to the brownstones of Brooklyn Heights, from family-friendly Park Slope to kitschy Coney Island, devotees of this borough wouldn't live anywhere else. Walk across the Brooklyn Bridge and check out the views from the Promenade, or stroll in Prospect Park, for just a taste of what Brooklyn has to offer. But don't neglect this outer borough on your next visit, there's plenty reason for Brooklyn to be worth your while.

Queens

The largest borough, Queens is also the most ethnically diverse, boasting arguably the best food in the city, from Greek in Astoria, to Indian in Jackson Heights, to Chinese and Korean in Flushing. It is also a popular destination for sports (Citi Field--new home to the New York Mets--and U.S. Open tennis) and culture (check out P.S. 1 Contemporary Art Center in Long Island City).

The Bronx

Though New York's northernmost borough is best known to many as the home of Yankee Stadium, the Bronx offers a good deal more than meets the eye. Explore

its beaches and museums, its world-famous zoo and botanical garden, its own Little Italy, quaint City Island, and more parkland than any other borough.

Staten Island

The breathtaking views from the free Staten Island Ferry are just the beginning of this borough's charms. With a more suburban feel than any of the other boroughs, Staten Island boasts a number of parks, as well as a zoo, a children's museum, a botanical garden, a minor league baseball stadium, and a restored colonial village.
